

Welcome to the FOWS Newsletter July Update

This edition is all about the Summer Fair – one of the major fundraising events of the FOWS calendar.

The more we raise, the less parents are asked for in contributions towards events and other such activities and charges.

Fundraising Updates:

So far, we've raised around £14 through **The Giving Machine**. We need more people to help raise this amount. Every little helps. It's very quick and easy to register as a 'giver'. Your details are not passed or shared in any way.

Active Kids: School are busy deciding what to spend the 3800 vouchers that we all managed to collect through the Sainsbury's scheme

Date for July: Summer Fair: July 7th

We'd still appreciate help in the usual areas....

- Tombola & Raffle items
- Wine donations for wine/water
- Mystery Jar – fill a jar and wrap it
- Cakes/Biscuits/Jams/Preserves
- Plants/Cuttings/Fruits and/or vegetables

A timetable has been devised by Sarah England, if you're able to help (however small) it would be welcomed.

Thanks to everybody for your help in what's set to be a brilliant Fair. We've got a number of stalls different to previous years: Strawberries & Cream will be on sale, there'll be the chance to throw a wet sponge at a willing victim! The Prison Dogs will do a short demonstration, helium balloons and much more besides ...

Cookbook Initiative: We're still low on recipes, at this rate, we won't have enough to make a book to sell at Christmas It's simple to do, Just follow the link to upload a recipe (starter/snack, Main or Dessert) for the School Cookbook.

It would be great to see some new faces and hear some new ideas, don't just wonder why? or wish something was different ... voice it or put it on an email to us – we can't change it if we don't know about it...

The PTA don't bite, we're all quite 'normal', trying to raise funds to benefit our children

By registering as a Giver and supporting Warthill School, there are loads of retailers that will give the school donations.

It's very quick and simple and adds just one click to your usual on-line shopping journey
