

Welcome to the FOWS Newsletter (September Update). I hope that you've all had a fantastic summer. I'd like to extend a big HELLO and welcome to the new families too for what I'm sure will be another brilliant year!

As always, any fundraising suggestions are more than welcome. I'm hoping more parents will be involved making it more of a team effort ...

It would be great to see some new faces and hear some new ideas, don't just wonder why? or wish something was different ... voice it or put it on an email to us – we can't change it if we don't know about it...

The Friends don't bite, we're all quite 'normal', trying to raise funds to benefit all our children

By registering as a Giver and supporting Warthill School, there are loads of retailers that will give the school donations.
