

4 April 2014

Dear Parents

Having such a late Easter makes it difficult working out where we are in the school year. All I know is that this term has flown by and it feels great to end it in such beautiful spring weather. Everywhere looks lovely; I do hope it lasts for the holidays so the children can get out and about in the fresh air.

### **The Friends**

Thank you so much to the Friends for providing school with iPads and for paying for the upgrade of the lap tops. The children and staff are delighted and I know it will make such a difference. It is the work of a great team of people who organise events but also to everyone who comes along and so generously gives their support. It is much appreciated. The recent Cinema night raised £90

### **Grandparents Day**

We enjoyed meeting so many grandparents last week. We managed to squeeze into the Junior classroom and were entertained by the children who did an excellent job. We were very proud of them all but not as proud as all the grandmas and granddads. A lovely morning.

### **Robin Wood**

The children from Sand Hutton and Warthill who recently went on the residential visit to Robin Wood all came back safe and sound, if not very tired, after a very successful and enjoyable three days. Photographs on the website clearly demonstrate the challenges they faced whilst having tremendous fun. A big thank you to Mr Kumar, Mrs Fraser and Mrs Edmondson who accompanied the children.

### **Netball**

A joint team of netballers from Sand Hutton and Warthill took part in an inter school tournament and have progressed to the final! We are so pleased for the players who came across children from much larger schools. The final is to be played after the holidays – we wish them all the very best of luck.

### **Parents Evening**

It was a pleasure to see so many mums and dads at Parents Evening, we enjoy sharing the children's work and celebrating the success and progress they are making. Any parent who was unable to come is very welcome to contact us to make an appointment. Also, if a parent wishes to chat about their child at any point during a school year please do not hesitate to get in touch.

### **SATS**

Year 6 children will be having their SATS tests during the week beginning 12 May. As ever we like to support the children in every way we can during this week to help them be relaxed as possible so they can do their best. We encourage them to get lots of sleep, eat well and then have lots of fun once the tests are over!

Have a very happy Easter

Best wishes

*JMWardell*

### **Dates for Your Diary**

#### **Sharing Assemblies - 9.00 a.m.**

30 April

21 May

11 June

25 June

9 July

#### **Other Events**
