Buy from the Yellow Moon Fundraiser catalogue and you'll help us raise money for the school

The good news is we're not asking you to put your hand in your pocket to donate! You will shortly receive via school bags a Yellow Moon catalogue where you can place orders direct.

It's very simple, quick and the items will come direct to your door and school receive up to 20% cash back on many of the items purchased.

All we ask is that you quote our unique reference number: **SWA1293**
