

Already the October Grapevine. My name is Beverley Pawson and I have been lucky enough to have become Headteacher at Warthill and Sand Hutton Federation. Even though it is so early in the year, we have already been incredibly busy. The new Reception children settled into life at school very quickly and have already enjoyed the wonderful, new outdoor equipment which arrived through the summer. Years five and six headed off to Robinwood on their residential and I was lucky enough to join them for a day of activities. It was super to get to know the older children in such a beautiful setting and see them interacting with all the adults who were providing them with such experiences.

It was exciting for me to share my first Harvest with members of the school/village community. People have been so generous and the gifts have been distributed to those in need, including Carecent. Many thanks to those I have met who have already made me feel so welcome and I hope to meet many more of you in the very near future.
