Thursday 8 March  
Y5 & Y6 Joint Visit to York Minster (more  
details to follow nearer date)

**Sand Hutton & Warthill News**

We all had a fabulous time at Young Voices on 19th January. The children sang and danced so enthusiastically they were a pleasure to be around! Mrs Pawson, Miss Heffernan, Mrs Harrison and myself (Mrs Naylor) were incredibly proud of them. Well done!

**Sand Hutton**

I would like to congratulate the girls who have turned the snack shop at Sand Hutton into their business baby. They will of course be recognised in sharing assembly but further commendation is necessary.

The girls have raised enough money to honour their promise of providing wet playtime games for all classes. These have been ordered. In addition, they have almost reached their next goal of providing an iPad. They have regular chats with miss Heffernan and me, sharing ideas and seeking advice and they have Mrs P in on the act, providing her with weekly orders and looking for suggestions for new products. What they don't know about profit margin isn't worth knowing. Really well done girls! We couldn't be more proud!

**Book Sale**

Thank you to all those who bought books at our sale. The money raised has been split between the 3 classes and teachers are currently purchasing a new class novel for their class.
