Young Voices

Congratulations to all those involved in Young Voices and a special thank you to Mrs Naylor (and Mrs Free) for organising the event so fabulously. Everyone who attended, whether they were singers, adults accompanying the singers or members of the audience seem to have had a simply wonderful time.

The children loved the dancers Urban Strides, and that seemed to be the talk of the coach travelling home. I think Tony Hadley commanded a little more 'talk time' amongst the adults.....go on, admit it!!!

At the end of the day, all the children were tired but full of a sense of achievement. What an experience..... I can hardly wait two years until it comes around again! Well done everyone!

Ceramic Poppies

The Remembrance Poppies are ready, and will be delivered to school soon. They look amazing on the photos, so we are very excited to see them and look forward to displaying them for others to appreciate.

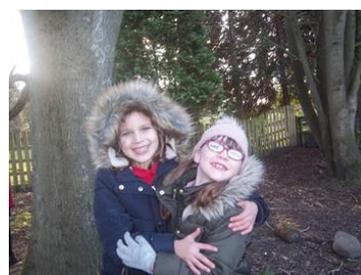

Sand Hutton

Welcome to our 'nearly new' teacher Mr Mills. Class 1 seemed to be already at home this week, learning all about penguins when I called in! the children also seemed to be having fun singing the days of the week with the whiteboard.

Outdoor Ted

Class One didn't let the cold stop them having fun, they made masks, hedgehog houses and listened to the baby owl story. They finished the session with Mrs Scott making them all hot chocolate .

Class 3 prepared for a later visit when they may undertake some orienteering. They learned how they could recognise trees even when they have no leaves by the shapes and colours of twigs. Building a construction which would hold an egg without breaking it caused many an excited shriek. They were all very resourceful and came up with some most unexpected creations. Finally, they got to pop some popcorn over an open fire. Sarah

had made her own double sieve contraption and the children could see the corn pop before their eyes. Another fun day. Can't wait for the next one!

Talking Tuesday's

Don't forget every Tuesday is a Talking Tuesday. Come and join us, the children would be thrilled to see you. Lunch is £3.20, please just let the office know in advance if you will be attending.

Warthill

Welcome to our new teacher Miss Blanks! Although the children welcomed her unofficially last week, she has fully stepped into Mr Mills' shoes this week. We are very lucky to have her and look forward to her sharing with us all the events of the junior class.

Infant Class

The Infant Class really enjoyed their visit from Outdoor TED. WE had a rare moment of calm and listened out for the bird songs we could hear in the playground. We then had fun making owl masks and "twit-twooing" and swooping around.

The Year 1 and Year 2 children have been busy writing their own versions of 'Polar Bear, Polar Bear, what can you hear?'. We focused on Arctic animals. We weren't sure what noise lemmings make though!

Junior Class

This week, junior class has been creating some of their own pop art portraits, using bold colours and shapes. In maths, we have been outside measuring in metres to find out the area and perimeter of larger items in our playground. On Wednesday afternoon junior class took part in outdoor education activities with Sarah. We built egg towers, learnt about orienteering symbols and put our teamwork to the test in foraging activities. We finished the afternoon with some tasty popcorn, which we had cooked on the fire ourselves.

Miss Blanks would like to say a big thank you to all the pupils and staff for making her first week so special!
