Dear Parents

WORLD BOOK DAY 3RD MARCH

EXTREME READING

Dear Parents

When we celebrate World Book Day 3rd March we aim to show the enjoyment a good book can bring. We are also going to think of places and occasions when reading takes place in our daily lives.

Just to demonstrate that it is possible to read just about anywhere we are inviting children (and parents) to send us photographs of

‘EXTREME READING’

that shows children reading in all kinds of unusual (safe!) places where we maybe wouldn't expect to see a child reading a book! These will be displayed on World Book Day with a small, prize being given for each photograph.

Photographs should be sent into school after half term or emailed to:

admin@warthill.n-yorks.sch.uk

Surprise us! Have fun!

Best wishes

Janet Wardell
